Texas Music Project

TMEA Executive Director Robert Floyd and other supporters of HB 2582 look on as Governor Rick Perry signs the bill, creating the development and implementation of the Texas Music Project.

THESE TEXANS HAVE GONE ON RECORD FOR
MUSIC EDUCATION IN TEXAS SCHOOLS.

BUY IT & YOU WILL TOO.

"Don't Mess with Texas Music" Volume One is the first in a series of releases by the Texas Music Project featuring the state's nationally-recognized and emerging music talent. Featuring 21 all-star Texas artists, it's like getting two CD's for the price of one. All proceeds from the sale of these recordings will benefit music education in Texas schools. Look for it at Starbucks, Randalls/Tom Thumb, Brook Mays/H&H/Caldwell Music Stores, and wherever great Texas music is sold. And be watching for special Texas Music Project concerts across the state. Support Texas music education. Support Texas music. www.texasmusicproject.org
